- ## 2 9/11, Al Qaida & the late Osama bin Laden
- 2 Obama is set to sign the much needed bill that will provide 9/11 responders with the healthcare coverage [#: It is just a way for people to profit from a National Tragedy! Emt, you are covered under Labor Contracts and Workmens Compensation Laws for any legitimate claims for injuries or health problems arising from the performance of your duties! (and the ~900 dead?)

- 2 {Film claim that Palestinians celebrated 9/11, an Israeli hoax}
- 2 April Gallup was in the wing of the Pentagon that was hit on 9/11 ... injured in the rubble ... In 2008, she sued Cheney, Rumsfeld, and Myers for not evacuating the Pentagon, when they knew it was a potential target ... the appeal of [her] case ... one of the 3 judges turned out to be George W. Bush's cousin, Judge John M. Walker Jr., an obvious conflict of interest
- 2 Escaping through the hole reportedly made by Flight 77, [April Gallup] saw no signs of an aircraft – no seats, luggage, metal, or human remains. Her watch (and other clocks nearby) had stopped at 9:30-9:31 a.m., seven minutes before the Pentagon was allegedly struck at 9:38 a.m.
- 2 The 9/11 Commission reported that "by no later than 9:18 a.m., FAA centers in Indianapolis, Cleveland, and Washington were aware that Flight 77 was missing and that two aircraft had struck the World Trade Center."
